DIS Memorandum

To: Participating Vendors, Business Continuity Site Services RFQ T05-RFQ-002
From: Bryce Carlen, RFQ Coordinator
Date: 11/15/2004
Re: Notice of Publication of Vendor Questions and DIS' Answers

Dear Vendors:

I write to make you aware that DIS has published the second set of questions received relating to the Business Continuity Site Services RFQ with DIS' answers. An updated version of the RFQ is also available. These documents are available on the DIS Techmall at <http://techmall.dis.wa.gov/procurement/procurement.asp?pid=90>.

Several important changes were made to the RFQ, including but not limited to an update of the financial worksheets and model, and a revision to the RFQ Schedule (Section 2) that extends several important dates associated with this acquisition.

Please do not hesitate to contact me if you have any questions concerning this announcement.

Sincerely,

Bryce Carlen
RFQ Coordinator
